Stay Safe and Secure

Lock up cyber threats, not your freedom! On the first Wednesday of every month we celebrate #CyberJagruktaDiwas - an important initiative that promotes online security, cybercrime prevention and understanding of digital security. Let's make our digital life safe and strong together.

Let us pledge to stay cyber-safe and help others be cyber-safe

- Beware of Cyber Stalking Scams - Protect your online presence and safeguard your identity.
- Think twice before sharing personal details with strangers. Your vigilance is the key to staying safe online.
- Beware of Parcel Scams: Protect Yourself from Fraud! NEVER pay unexpected fees or provide personal details for a parcel you were not expecting.
- Beware of survey scams—don't share personal info. Always verify the source before participating. Stay safe and protect your data!
- **For any cybercrime complaint, report to: www.cybercrime.gov.in or Dial 1930**

ऑनलाइन खरीदारी में हमेशा सावधानी बरतें। सस्ती चीजें या आकर्षक ऑफ़र्स आपको साइबर अपराधियों का शिकार बना सकते हैं।

Be Aware of Fake Advertisement Scams

Always verify the authenticity of ads before purchasing or sharing personal information.

Stay Safe Online
